Fake Asda Emails

Action Fraud have received over 1,700 reports from across the UK about FAKE emails purporting to be from ASDA. The emails will request that you click on a link and are designed to trick people into completing a fake survey to claim a free prize.

However, the link will take you to a fake website under the control of the criminals, where they will steal your personal and financial data.

Always report suspicious emails by forwarding them to:

report@phishing.gov.uk

If you think that you may have been a victim of this or any other type of scam, then contact your Bank immediately, which you can do by calling 159 and report it to Action Fraud at www.actionfraud.police.uk or call 0300 123 2040.

ASDA scam emails

Action Fraud has received 1,754 reports in two weeks relating to fake emails purporting to be from ASDA. The emails state that the recipient has won a free prize which can be claimed by completing a survey. The links in the emails lead to phishing websites that are designed to steal personal and financial information.

HOW TO DEAL WITH SUSPICIOUS MESSAGES
If you have doubts about a message, contact the organisation directly. **Don't** use the numbers or address in the message - use the details from their official website. Your bank (or any other official source) will never ask you to supply personal information via email.
Spotted a suspicious email? Forward it to the Suspicious Email Reporting Service (SERS) - report@phishing.gov.uk
