

# Kent Fraud Alert System

TO STOP FRAUD™

## Fake Delivery Text Messages

Fraudsters are sending fake text messages from delivery companies, saying they need more details or asking you to click a link to reschedule a delivery.

The messages are copying the company's logos and basic information to make you think they are real.

They will also often ask you to pay a small fee and direct you to click on a link to make the payment. However, it a scam to obtain your payment card and personal information.

Do not click on any link from an unknown sender. Check the number or URL address and if you are expecting a package go to the company site directly to track your parcel.

Forward suspicious text messages to 7726 (SPAM).

If you think that you may have been a victim of this or any other type of scam, then contact your Bank immediately, which you can do by calling 159 and report it to Action Fraud at [www.actionfraud.police.uk](http://www.actionfraud.police.uk) or call 0300 123 2040.
